OBJECTIVE

Computer Science undergraduate with strong interest artificial intelligence, large language models, and data engineering. Skilled in Python, data analysis, and web development, with excellent problem-solving abilities and a passion for learning new technologies.

Education

SR University [B.Tech in Computer Science and Engineering]	2022 – 2026
• CGPA : 7.1	
SR Junior College [Intermediate]	2020 – 2022
• Percentage: 74	

EXPERIENCE

LLM Post Training Intern — Ethara AI	2026
• Worked on LLM post-training, prompt engineering, and response refinement to improve model performance.	
• Performed instruction tuning, output validation, and data quality assessment for reliable training datasets	
• Collaborated with teams enhance model accuracy.	

Projects

Traffic Congestion Prediction using Machine Learning	Dec 2025
• Developed a machine learning model to predict traffic congestion using historical and environmental data.	
• Implemented and evaluated Random Forest Regression and Support Vector Regression (SVR) to compare model performance.	
• Performed feature engineering and analyzed zone-wise and weather-based traffic patterns to improve prediction accuracy.	
• Demonstrated real-world application of ML for smart city traffic planning and decision support.	
SECURE EMAIL COMMUNICATION	Nov 2025
• Designed and developed a secure email communication system using cryptographic algorithms such as AES, DES, and Caesar Cipher .	
• Implemented secure user authentication and authorization to ensure controlled access to sensitive messages.	
• Enabled message encryption and decryption to enhance data privacy and communication security.	

Skills

Technical Skills: Python, Java | HTML, CSS | MySQL, DBMS | Pandas, Scikit-learn, TensorFlow

Behavioral Skills : Communication, Team Collaboration, Problem Solving, Adaptability

Certifications

Introduction to Networks – [Cisco]	Link
Switching, Routing, and Wireless Essentials – [Cisco]	Link
AWS Cloud Virtual Internship – [AICTE & EduSkills]	Link
Cloud Foundations – [AWS]	Link
JuniorCybersecurityAnalyst – [Cisco]	Link
